

## Summary

This course is designed for participants who are required to perform on-site drug and alcohol testing within their workplace or would like to work within the drug and alcohol testing industry as a Collector.

NATIONALLY RECOGNISED  
TRAINING

## Overview

The AusHealth Work Drug & Alcohol Collector Training includes the nationally accredited unit of competency HLTPAT005 Collect Specimens for Drugs of Abuse. It provides participants with the skills and knowledge required to perform specimen collection and screening for on-site drug and alcohol testing.

AusHealth Work is a Registered Training Organisation (RTO 40379) and participants will benefit from years of drug and alcohol testing experience. This course provides in-depth instruction in the application and practice of:

- AS 3547:1997 Breath alcohol testing devices for personal use.
- AS 4760:2006 Procedures for specimen collection and the detection and quantitation of drugs in oral fluid and
- AS/NZS 4308:2008 Procedures for specimen collection and the detection and quantitation of drugs of abuse in urine.

This course satisfies the requirements of a person to collect, screen, handle, store and dispatch oral fluid and urine samples to the laboratory for analytical testing.

## Outcomes

On completion of this course, the participant will be able to

### Coursework

- Explain minimum requirements necessary for performing breath, oral fluid and urine collections, and describe the procedure for ensuring the integrity of the specimen collection process.
- Demonstrate how to obtain a breath, oral fluid and urine specimen, follow the chain of custody and record the information on the chain of custody form.

### Workplace Observation

- Demonstrate workplace proficiency in breath, oral fluid and urine specimen collection.

## Certificate

A nationally-recognised Statement of Attainment will be issued to competent participants.

If the Workplace Observation is not completed than a Statement of Attendance will be issued for successful completion of coursework.

## Course Length and Delivery

Can be delivered:

- Australia wide
- At your workplace or at our public courses (Coursework only)

This course requires:

- 1-day (8 hours) Coursework
- Workplace Observation (must be completed and submitted within 3 months of coursework completion)
